4. DECLARATION

I hereby declare that this practical work entitled is my original work carried out by me. This work has not been copied from any source and has not been submitted earlier for any examination.

Name of Student: Piyush Owalekar

Roll Number : 150096725114

Date: 9/2/2026

5. FUTURE SCOPE

The current website is developed using only HTML5. The future enhancements that can be implemented are:

- Applying CSS for improved visual design and layout
- Adding interactivity using JavaScript
- Making the website fully responsive for all devices
- Hosting the website on a live server
- Adding forms and backend integration
